Founder & CEO

About MILVUK

Milvuk's passionate approach to managing projects and working together with clients has given us a competitive edge in the industry.

Our Purpose is to
inspire trust for a
more resilient world.

Company Purpose

Our unique combination of consulting, knowledge, assurance and regulatory services makes organizations more resilient, and in turn inspires trust in their products, systems, services, and the world we live in.

Company Vision

Increased efficiency with less effort.

We aim to create a sustainable society of high-tier professionals for providing excellent service to those in need. As industry ambassadors, we recognize that sustainability goes beyond business and into everything we do.

Be Kind

Do the right thing.

Be Honest

Keep your word.

Be Smart

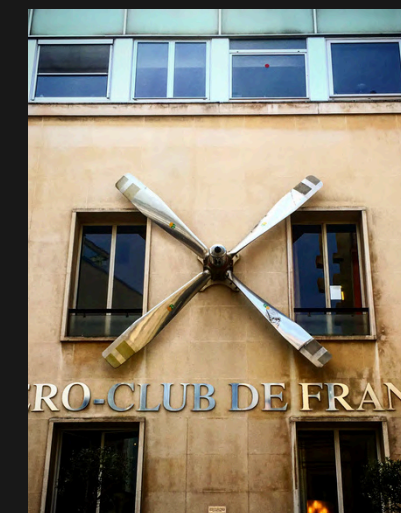

Make things better.

Company Mission

Worry-free future for our customers

We create a life-changing experience through the quality of our services. We aim to provide our customers with solutions for all their plans and problems. Our goal is a worry-free future for our customers.

Our Services

Lease Transitions and
Mid Term Audits

During the Lease process of the aircraft (mid-term Audits or transitions), Physical inspection and documentation review of in-service leased aircraft.

Our Services

**MRO/On Site
Representation**

**Supplier audits, custom audits,
remote and internal audits.**

Internal audits let us review your organizational governance against industry-specific requirements and standards.

Second-party audits can help you confirm your suppliers operate according to your protocols.

Take advantage of our deep technical expertise in the full range of large commercial aircraft maintenance

Our Services

MRO Audit

MRO capabilities, quality, risk and supply chain management.

An independent audit of any MRO from our side can provide deep analyses of all the aspects and operations within the desired MRO. This can help you prepare your maintenance plans and adjust all your operations for smooth and easy maintenance.

In cooperation with our partners we can suggest perfect MRO for your needs.

We help you to evaluate a new MRO to hire, choose the best MRO option for your needs or validate your actual MRO performance.

Our Services

Pre Purchase
Inspections

A comprehensive technical report that summarizes the aircraft condition and maintenance status to help determine the precise Value of the aircraft.

Our Services

Advice and Consulting

Strategic, management and technical consulting solutions.

We provide a comprehensive range of consulting solutions – assessment, compliance, risk management, reporting, training, communication and more – partnering with clients to achieve their environmental, health, safety and sustainability short-term needs and long-term goals.

Wide portfolio of consulting and advisory services for Airlines and MROs in Performance Improvement, Project Management, SMS and IOSA programs implementation, etc

Our Services

Experts On Demand

Are you in need of manpower assistance in any position?

If you have problems finding manpower for any of your short/long-term projects or you simply need additional personnel in your team we can help you. Just go ahead and describe your needs and we will find the perfect match for you.

A dependable expert assistance when and where required.

Our Services

Training, advice and knowledge transfer

Regulatory or personalized trainings for your staff

With our partners, we can provide you with a wide range of regulatory training for your staff. We can also make training directly connected to your current needs and deliver it to your staff for better and safer performance.

Achieve environmental health, safety and sustainability goals and requirements.

Aerospace and aviation

Quality, reliability and safety are critical values for the aerospace industry. Our services can help your organization enhance customer satisfaction and meet regulatory requirements.

Industry Sectors

We offer global solutions across a wide range of industry sectors. Discover the key issues and drivers for your industry sector as well as the services, standards and solutions to address those challenges.

Aircraft mainenance

Variety of services supporting your maintenance needs

General business

Consultancy services in business development

Franchising

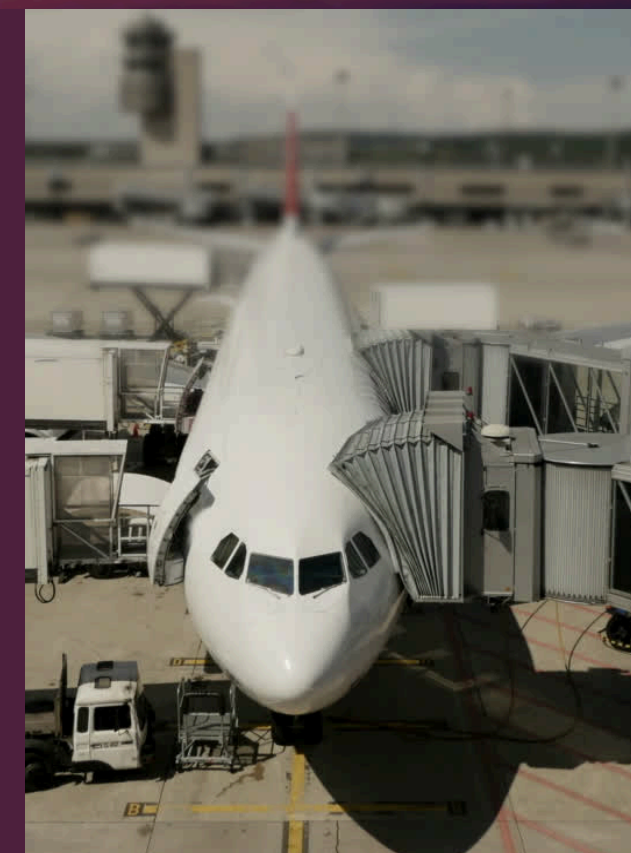

Trustful partner for expanding your business

Partnerships

Our people are passionate about what they do. They are experts in their fields. We are always open to introduce new partners to our customers.
